

Unlock Your Career in Network Cabling

Are you an immigrant interested in joining the growing field of Network Cabling?

Tuesdays, March 5 - April 16, 2024 | 11:00 a.m. - 12:00 p.m.

Join us for a Network Cabling info session every Tuesday and learn about:

Labour market info such as career outlook & average salary as well as **what a typical day looks like** for a Network Cabling professional

Government funding to support you with any costs you would incur while enrolled in the program

Program info that breaks down the **structure, syllabus, and location of the program**, which is based out of Herzing College's Toronto campus
